

WELCOME TO OUR PLAYGROUP

We offer a fun place for you and your child to play and learn together and to become part of our community.

Children are learning from the moment they are born and they mostly learn from playing along with you.

We offer experiences for you to play, sing, discover, investigate in with your child in a supported environment.

Our playgroup is part of the Supported Playgroups in Catholic Education (SPiCE) program.

Families with children aged birth to four are welcome to attend.

Playgroup starts at 9.30am and you can stay until 11.00am.

Most of the session will be time for you and your child to play together and with others.

We also have times for reading, singing and eating. Look at the routine on the wall in our special room for more details.
